

ANZAM Associate Member Professional Development 2022

Professional development for HDR students

In 2022 ANZAM is offering a series of **10 one-hour 'lunchbox'** (depending on your location!) PD sessions on a range of topics designed to support you on your research journey. Each session consists of a presentation from a research student-friendly academic (who hasn't forgotten what it's like) with experience in a certain area, with space for questions and discussion.

SESSION 5 – MENTAL HEALTH IN WELLBEING IN ACADEMIA

Thursday 16 June, 12pm (AEST/QLD) – 1 hour

Our presenter this month is [Dr Marissa Edwards](#) from the University of Queensland (UQ). Marissa is an active researcher on mental health and wellbeing in academia, and has published several journal articles and book chapters on the topic. She is also currently part of a UQ team studying the mental health and wellbeing of PhD candidates. Marissa, along with likeminded colleagues, curates the ['Voices of Academia'](#) project, which has a purpose of bringing together diverse voices to discuss mental health and wellbeing.

The session is **free for ANZAM members** and **\$15 for non-members**.

Non-members will be contacted for payment upon registration. *Bookings for non-members close Mon 13 June.*
