

# ANZAM DOCTORAL WORKSHOP 2023

Connection | Collegiality | Collaboration

JOIN US FOR THE ANNUAL ANZAM DOCTORAL WORKSHOP

**Registrations and Research Note submissions for students are now OPEN**

**MONDAY 04 DECEMBER 2023**

## **VICTORIA UNIVERSITY OF WELLINGTON, NEW ZEALAND**

The Doctoral Workshop is ANZAM's flagship event for research students and is held in conjunction with the ANZAM Conference. Interested candidates can register for the Workshop – with or without registering for the Conference – at <https://anzamconference.org/doctoral-workshop/registration/>.

### **Who can attend?**

All research students pursuing a research degree (Honours, MPhil/Masters by Research or PhD) in management, or who are undertaking management or management-related research in

disciplines other than business (e.g. health), are welcome to participate. ANZAM's research remit is extensive. The Conference streams listed below are a guide and you can peruse past papers at <https://www.anzam.org/past-event-material/past-conference-papers/>. If you are unsure whether you are a 'management researcher', please feel free to contact the undersigned.

Stream 1. Human Resource Management

Stream 2. Organisational Behaviour

Stream 3. Sustainability and Social Issues

Stream 4. Gender, Diversity and Indigeneity

Stream 5. Entrepreneurship and SMEs

Stream 6. Leadership, Governance and Strategy

Stream 7. Teaching and Learning

Stream 8. Business Processes, Innovation and Supply Chain

Stream 9. Health Management and Organisation

Stream 10. Public Sector, NGOs and Not-for-Profit

## DOCTORAL WORKSHOP PROGRAM

We are offering a full day packed with professional development and networking, including the opportunity to discuss your project with academics and receive personalised feedback and suggestions in the **Roundtable Session**. If you want to participate in the Roundtable Session, you will need to submit a **Research Note** at <https://anzamconference.org/doctoral-workshop/submissions/>

To elaborate, over the course of the day, Doctoral Workshop attendees will:

- **Network with senior academics and peers:** Attendance at the Workshop is an excellent way to connect with friendly academics and peers and get to know others who share similar

or complementary research interests. Attendees come from around the Australasia region – a bonus for anyone looking to expand their network and collaborations outside their host university.

- **Attend insightful presentations:** Senior academics and industry experts will share their insights. There will be opportunities to ask questions and engage in discussions during or after the presentations.
- **Receive expert feedback (on your submitted Research Note):** This is ideal for anyone seeking a perspective outside of their supervisory team relayed in an instructive and informal manner. Those nearing the end of their study term will benefit. The feedback is useful for improving the quality of your research idea or thesis, with the potential to create more publication-worthy manuscripts.

The **draft program** below provides an overview of the day. *Note sessions and timings are subject to further change.*

**Please note:**

1. The ANZAM Doctoral Workshop (and the ANZAM Conference) is face-to-face only in 2023.
2. To attend the Workshop and the Conference, you will need to be an **ANZAM member**. As a student, you are entitled to **Associate membership**.
3. To join, go to [www.anzam.org/membership](http://www.anzam.org/membership).

4. You will need to purchase ANZAM membership *prior to registering* for the Doctoral Workshop and/or the Conference.
5. Your ANZAM membership will also entitle you to attend ANZAM's monthly Professional Development sessions. Some of these sessions have been specifically tailored for research students, based on feedback received from last year's Professional Development program.

## 2022 DOCTORAL WORKSHOP FEEDBACK

### Some feedback received from 2022 Doctoral Workshop participants....

"I was so happy with the (Research Notes) process and getting the opportunity to have time with two amazing academics. Their input is so vital in learning our trade."

"Information-packed day, full of practical and relevant tips and hints while having an opportunity to network with senior academics as well as fellow HDRs. Unbeatable experience!"

"The connections I have formed have been invaluable, both socially and professionally."

"The 2022 Doctoral Workshop was a fantastic opportunity to learn from some of the leaders in the management field. Each workshop was specifically designed to meet the needs of PhD students and early researchers and provide food for thought and ideas. It was also a fantastic opportunity to meet with other PhD students from across the world (the international participation was excellent)."
