

ANZAM DOCTORAL WORKSHOP 2023

Some feedback received from 2023 Doctoral Workshop participants....

"Interesting speakers, opportunity to step back, think, be introduced to different ideas"

"Doctoral workshop was nicely balanced for students interested in academia or industry"

"The relevancy and variety of topics. Great speakers. Well organised"

"Great agenda, informative and salient sessions"

"I like connecting with others. I appreciated the sessions on different topics"

"I enjoyed the sessions: Keynote – Jörgen Sandberg, How to transition to an academic career post PhD and the Indigenous research session"
