

# Educate to empower

UOW is young, dynamic and innovative, and has become a benchmark for Australia's new generation of universities. We're globally recognised for delivering impactful research that drives positive change.

Students come to UOW to learn about themselves while they learn about the world, so that when they start their career they can continue to draw strength from their time at UOW. Our proudest achievements are our students, who upon graduation are ranked among the best in the world.

Studying at UOW means learning from some of the brightest minds on the planet – recognised globally for their academic excellence. Our reputation is built on a multidisciplinary approach to research, strong industry partnerships and a personalised approach to teaching and learning.

UOW's Wollongong Campus is set in native Australian bush and is one of the most picturesque university campuses in Australia. Apart from extensive teaching, research and administration buildings, the campus includes student residences, a library, conference facilities, food halls, cafes, restaurants and a bar, retail outlets, indoor sports centres and gymnasium, Olympic-standard swimming pool and sports fields.
