April Newsletter

Journal of Management & Organization

Hello,

Welcome to the April newsletter of the JMO Journal of Management & Organization. We are published by Cambridge University Press in partnership with the Australian and New Zealand Academy of Management (ANZAM).

We are now a “A” ranked journal on the Australian Business Dean’s Council (ABDC) list. This is a significant achievement and we thank everyone involved who helped us get there. Being a “A” journal means we are amongst the highest quality rated journals and this is important in continuing our long-standing position of publishing excellent research that has both academic and practical implications. There is a saying “A “A” is a “A”, so this means we now are ranked in the exclusive echelons of management scholarship.

With best regards,

Vanessa Ratten, Editor in Chief, Journal of Management and Organization
